Services We Provide

FULL HOME INSPECTIONS

Sellers Inspection - If you are selling your home show your potential buyers that you are upfront about the condition of your home while also limiting your liability.

Buyer's Inspection (Pre-Purchase) – Make an informed decision before making the largest financial decision of your life. All necessary insurance inspections are included at no extra cost with a **FREE** YEAR of Re-Inspections!

RADON INSPECTION

Radon is the leading cause of lung cancer among non-smokers in the U.S. The EPA and Florida Department of Health recommend **ALL** homes be tested no matter the construction type, age or location. We test in partnership with Radalink.

INSURANCE INSPECTIONS

(All Come With 1 **FREE** Year Of Re-Inspections)

Wind Mitigation – To determine certain construction features that lessen the impact of storm or wind related risk. This inspection normally helps save money on your insurance policy.

4 Point Inspection – Required by insurance companies for homes 20 years (typically) or older to determine age and condition of Electrical, HVAC, Plumbing, and Roof.

Roof Certification – Required by insurance companies to determine the age and condition of the roof.

FREE APPLIANCE RECALL ALERTS

1 in 5 Homes has a Recalled Appliance.

"The inspection was done with short notice and the report was available just a few hours after he did the inspection. Even the realtor said, 'The report was very thorough.' Will recommend to others."
